

My husband and I never thought we would never be able to buy a house because of our credit. Then, one day in May 2015 we heard an advertisement on the radio for Thomas Dostal Developers so we decided to call them. We called and spoke to Randy Dostal. Shortly after, we met with him. Before meeting Randy we were already upset and had negative thoughts because we always got turned down. Randy understood our situation and referred us to one of his lenders. Between the two of them, they helped us get our credit scores up. Within a short months we were able to buy the house of our dreams, something we never thought would happen! We are so glad we didn't give up!

Thank you to Randy and Thomas Dostal Developers!
